FULL STACK WEB DEVELOPER

Software Engineer with team leadership experience, an eye for detail and passion for creating beautiful responsive web pages. Loves learning, quick to understand and apply new concepts, collaborative and highly creative. Works well under pressure and adapts to change easily. Community oriented. Currently loving learning Korean and game development.

TECHNICAL SKILLS

Ruby on Rails | JavaScript | Python | HTML5/CSS | Git | SQL/NoSQL | Linux | Node | ReactJs | React Native

EDUCATION

Flatiron School   09/ 2019 - 03/2020
Full Stack Software Engineering Remote Learning Program
Course Report's Bootcamps: Ranked #1 for 2019-2020

WORK EXPERIENCE

Avybe, Software Engineer Intern Website | Linkedin   10/2020 - current
- Turned designs into functional React Native components
- Worked with senior engineers on new features and code reviews
- Worked on a large code base with many talented developers

Harbec, Quality assurance team leader
Ontario New York   06/2011 - 02/2016
- Led and managed a team of quality inspectors

PROJECTS

Chat App Github | Deployed with Firebase
A way for people to chat in private or public user created channels
Technology Used
- Google Firebase Realtime Database made it easy to structure my data
  and provide functions to listen to changes being made to the NoSql collections.
- To save time I chose to use React/Redux with HTML5/CSS/Semantic-UI as my frontend

Pet Assistant Frontend Backend
This was my first time using a React/Redux and I wanted to help people who care for animals so
I created a way to keep track of important information about your pets simply and quickly
Technology Used
- JavaScript, React/Redux, HTML/CSS (frontend)
- Ruby/Rails, Sqlite3 (backend)

Node.js Login/Auth service Github
A login and authentication service built with Node/Express/Mongodb Atlas.
Technology Used
- JavaScript, NodeJS, ExpressJS
- MongoDB Atlas

VOLUNTEER WORK

Refuge Recovery Rochester, Web developer   06/2018 - 08/2020
- Create, deploy and maintain an informational web page
  for local buddhist community group
